

REMARKS

This paper is filed currently with a Response to a notification of defective response instructing applicants to comply with requirements for patent applications containing nucleotide and/or amino acids sequence disclosures.

This supplemental preliminary amendment is filed to conform the SEQ ID numbers set forth in the specification and claims to the SEQ ID numbers presented in the replacement sequence listing included herewith, entry of which is requested. Please enter the following amendments prior to calculation of the filing fee and prior to examination on the merits.

No new matter is added.

Entry of the foregoing amendments and examination of the claims as amended are requested.

Respectfully submitted,

Leon R. Yankwich, Reg. No. 30,237
